

BANQUETING

At Parklands Hotel and Country Club, we appreciate you have taken a great deal of time and effort to choose your perfect venue for your special occasion and that it is a very important time for you and your family.

We pride ourselves on offering a quality service, emphasising and creating all the personal touches that make your event special. Our highly experienced management team are here to help advise and guide you through arrangements. Choose from the information contained in this package and bring along your own ideas.

The Sandringham or Windsor Suite

The Windsor Suite will comfortably hold up to 120 people and the Sandringham Suite 130 people. Both these suites have their own built in bar and are excellent venues for a Sportman's Dinner or Corporate Event where a raised top table is required or for a Birthday Party or celebration where a dance floor and entertainment is a must!

For those looking for more elegance and that very important personal touch, both rooms can be split in two sections. One section set up as a reception area with comfortable chairs, a bar and low lights, and the other section set up for a dinner or buffet.

The Boardroom

The Boardroom is a firm favourite with our customers. The table will hold up to 20 people comfortably. The Boardroom is an ideal venue for Gourmet Evenings, Christenings, Private Dinners or Celebrations of Corporate Entertainment. Combine the excellent features the room has to offer with our varied menus, wine list and exceptional service - and you have found the perfect venue for that special occasion!

The way in which the Boardroom table is set up can vary according to customer requirements.
